

REVENTH

REINVENT YOUR EVENT

WHO WE ARE

REVENTH was founded in Milan by a group of industry professionals who decided to combine their many years of experience to create an event company distinguished by original ideas, strategic vision, and flawless execution.

[DISCOVER MORE](#)

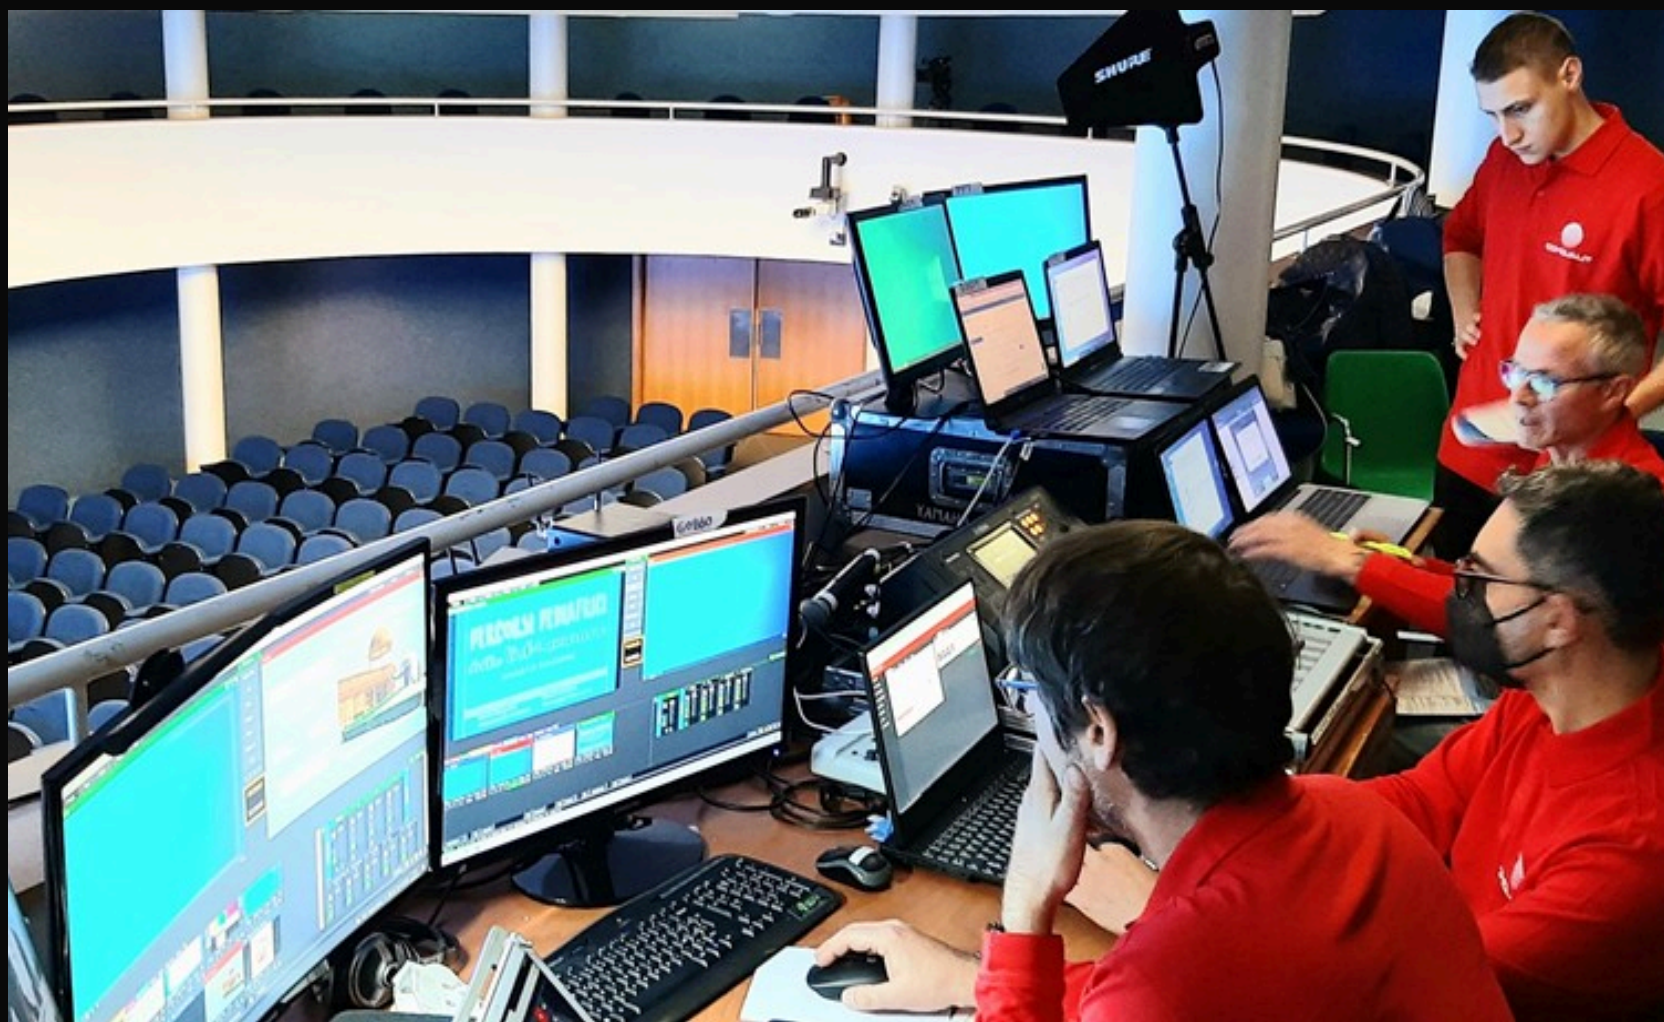

ONE TEAM ONE VISION

Communicating a message in an innovative and strategic way, without intermediaries, while enhancing a brand or a product: this is the true focus of an event.

Our goal is to offer clients the full potential of live communication, developing tailor-made, business-oriented **projects built around concrete objectives.**

EVENT MANAGEMENT

- Strategic consultancy and concept development
- Venue scouting, selection, and management
- Event design, rendering, and production
- Scenic setups, audio-video-lighting direction, and technical support
- Logistics, hospitality, and guest services
- Gala dinners, catering, and cultural & leisure programs
- Premium vehicle rental and luxury services
- Qualified conference and event staff

SERVICE AV-LIGHTING

- Audio systems and sound reinforcement
- Audio conferencing and multilingual simultaneous interpretation
- Video projection, videowalls, and indoor/outdoor LED walls
- Video direction, filming, streaming, and videoconferencing
- Architectural and stage lighting for indoor and outdoor events
- TV sets, green screen, and virtual AR/XR events
- Electronic voting systems
- Scenic installations
- Qualified technical personnel

SCENIC SETUPS & STRUCTURES

Services Offered

- Modular and scenic installations
- Stages and tensile structures
- Design and planning
- Graphic services
- Consultancy and technical assistance
- Turnkey rental and sales solutions

Each setup is carefully designed by qualified professionals, delivering bespoke solutions tailored to the client's graphic, functional, and structural requirements.

We operate in **Italy, Germany, France, the Netherlands, the United Kingdom, and Spain.**

SECURITY SERVICES

In partnership with NSC, we provide security services that ensure high operational standards through trained and qualified personnel.

Services Include:

- Access control
- Front and back office services
- Concierge and fiduciary security services
- Reception services
- Surveillance and guarding

LOGISTICS & GOODS HANDLING

We provide specialized event logistics staff, managing every operational phase with precision and care—from exhibition stand assembly to loading and unloading goods, including corporate and private relocations.

Services Include:

- Event handling and labor services
- Loading and unloading of goods
- Setup and dismantling operations
